Marion at Akron.  
Mansfield at Youngstown.  
Newark at New Castle.  
Lancaster at Sharon.

### YESTERDAY'S RESULTS.

No games played.

Because of bad weather and other troubles, the management of the Youngstown team has been unable to complete its tour of the park, and as a result the games scheduled there with Marion for Friday and Saturday of this week have been transferred to this city.

It was necessary to build a new park at Youngstown and serious difficulty was experienced in securing sufficient laborers to hurry the work during the brief periods of good weather. Marion has Youngstown

scheduled for two games here next week, May 15 and 16, and these games will be played at Youngstown as a result of the agreement reached today.

Friday will ladies' day and the fair sex will be admitted to the grand stand and park free of charge. The management extends a cordial invitation to every lady in the city to be its guest on that occasion. It is expected that the ladies will turn out in numbers.

The Lime Burners will return here tomorrow night after the Akron series and will remain here, playing two games with Youngstown and three with Akron, until Wednesday, when the team will play at Youngstown.

### IMPROVEMENTS.

A large force of men is employed this week at Webb park getting the grounds in condition for the return of the team Thursday night. The grounds are being tilled so that the surface water will be promptly carried away and in the future rains in the morning will not prevent games being played in the afternoon.

Two ear loads of sand have been placed on the diamond and will be mixed in with the clay. This will make the ground more satisfactory during the hot weather than the clay alone which bakes in the sun and makes a rough playing field. It is probable that barbed wire will be placed around the top of the fence to prevent a large number of men and boys from crawling over

the fence and witnessing the game free of charge.

A number of other improvements will be made at the park before the team returns.

The fans are very well satisfied with Drumm's Lime Burners and cannot see any team in the league that has anything on them. The boys are playing in great shape and should shake off the hoodoo that seems to be hanging over them.

Akron the touted champions of this year will be the attraction next Sunday and the management is making arrangements to entertain four thousand people.

FRANK "RED" FARRELL  
A Decided Favorite With the Local Baseball Fans.

The local team is receiving considerable support from Prospect, Lakem, Green Camp and the surrounding country. On the last Sunday delegations were present from Delaware, Upper Sandusky and other places as far removed.

The street car service was much improved last Sunday and a service that is even better will be given next Sunday.

There is some satisfaction in the failure of the local team to play but one game in the past four days—none of the other teams have played.

It is a lot better to be tied for the cellar championship in the league race at this stage of the game than several months from now. Look at the standing two months from today and you will see Marion either at the top or very close.

If we are at the bottom we have company. Newark has not won any more than we have.

One thousand ladies should enjoy the courtesy of the local baseball company Friday afternoon. It is the first ladies' day of the season. Every lady will be admitted free of charge to Webb Park.

Tommy Mylett, the popular short fielder of the Lime Burners, leads the team in batting for the first four games with an average of .345, which gives him the pair of Clafflin baseball shoes donated as a prize by Smart & Widdell. The shoes will be presented to Mylett when the team returns tomorrow.

SANFORD BURKE  
The Columbus Lad Who Defeated The Nocks Friday Last.

Akron, O., May 8.—(Special)—Tuesday's game with Marion was called off on account of wet grounds. Had it stopped raining, yesterday, Groundkeeper Ed. Nled could have gotten the park into shape for the opening clash with Ford Drumm's squad, but when Ed. visited League park this morning he realized that it was a hopeless task. So the opener with the weather man's permission will be played this afternoon instead.

The Marion players, in charge of Captain Tim Flood, blow in at 9 o'clock Tuesday morning and were quartered at the Windsor hotel. Manager Drumm did not accompany the team, but arrived on a later train. The players were disappointed when they found that the weather had caused the postponement of the first game, as they had been confidently expecting a victory over East's outfit. "Kaiser" Wilhelm had been slated to pitch.

Not a word has been heard from Pitcher Lewis, who disappeared so mysteriously at Marion the other night. Just when Manager Drumm was planning to use him in the following day's game.

"Guess the fellow lost his nerve," is the way Tim Flood accounts for it.

Umpire List, whose two summers in O. & P. league base ball have made him a favorite with Akron crowds, will work here all week. List gave satisfaction in the games which he umpired last week, and seldom did his decisions leave any room for a protest.

"Rube" Armstrong and "Kaiser" Wilhelm are to pitch today's game, and with all other things even, "Arnie" ought to get away with the opener. "Cap" East will probably play Dick Nebinger at short and Teddy Strood at third. If Armstrong doesn't pitch, it will be Jack Breckinridge who will try to hold up Akron's end in the box. "Breck" hasn't yet had a chance to work, and East is anxious to see what he has got.

year in the South Atlantic league.

This season he has not showed good form, appearing to be shoulder bound. Manager Sam Wright, of the local team, still has five pitchers in Compton, Sammy Smith, Louis Schettler, Beatty and Thomas.

### NOT SO FUNNY.

Arlie Latham's funny business at Mansfield Friday, when he called the game at the end of the eighth inning because he could not stand a rooster's kidding, failed to make a hit with Phil Wolfe, sporting editor of the Mansfield News. Wolfe says:

It seems rather strange that a man who has done as much talking on the coaching lines as any player living, and who has given as much gaff to the umpires as Arlie Latham has cannot stand a little bit of it himself. In fact the umpire who cannot stand a little gaff has no right to try to umpire, but had better get out of the business pretty quick. It is to be hoped that an umpire with a little better judgment is secured by President Norton to fill the shoes of Latham, and that such a scene as occurred at League park Friday be not repeated.

Arlie Latham, that erratic and versatile person awarded a game to Sharon yesterday in Mansfield, called a rooster in the grand stand refused to quit screeching. If Arlie attempts any of this when Newark is at home and he is officiating there will be a job for some undertaker. Arlie will not be a mourner, either.—Newcastle Herald.

### SURPRISE SPRUNG.

(O. & P. Press Ass'n.)  
New Castle, Pa., May 8.—A decided surprise was sprung today when Manager Bill Smith released outfielder Ernest. A new man said to be a star has been secured to play left field. The grounds are in good shape for the opening game this afternoon.
